Officers Messages:

We had another good turnout for our May program. I would like to say thank you to everyone who made this program possible. Thank you to Matt Graves from Bacharach, Inc. who made the presentation. and Gina Ladefian from TF Campbell. Your support is appreciated.

The year is going by so quickly. Hard to believe that half the year is gone. Do you have all your hours for your license? If you do, I hope you will not stop coming now. We are working on some good classes and plant tours. I always look forward to seeing everyone

Regards,

Paul VanEtten

Vice President
